

Collage

DESCRIPTION

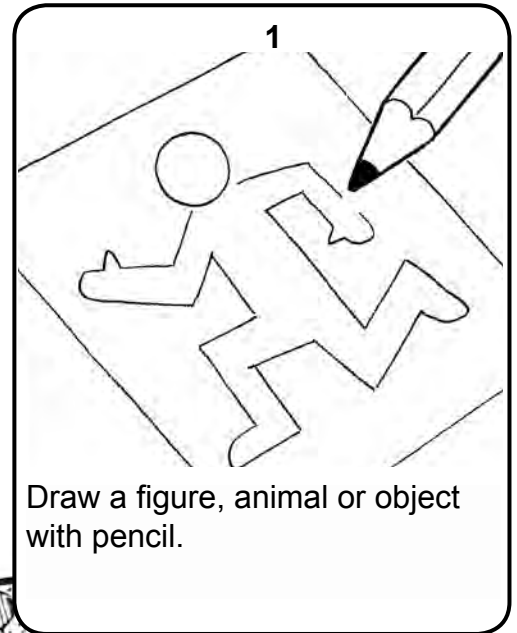

This is something a whole group can do. You can make a canvas about whatever you are studying e.g. different countries, cities or environments. You can join several together to make a large picture.

MATERIALS

COMMENTS

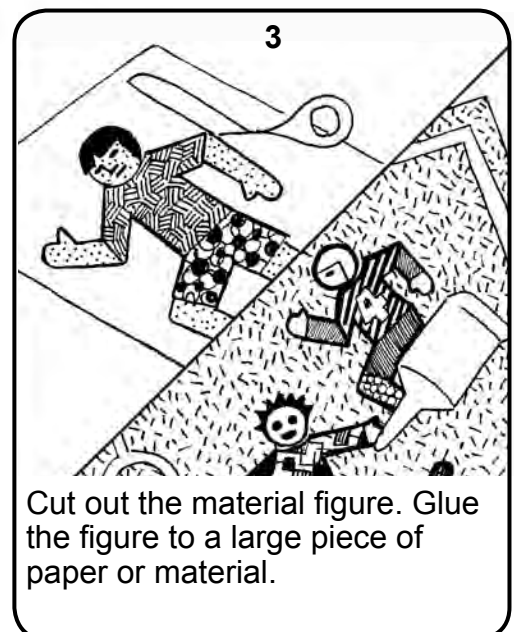

First decorate or paint the large paper or material like a landscape or football pitch. You could stencil in other features trees, animals, spectators etc.

Draw a figure, animal or object with pencil.

Cut different coloured material. Glue the material to the drawing.

Cut out the material figure. Glue the figure to a large piece of paper or material.
